

Dear Valued Client,

During the current COVID-19 situation it is important for us to ensure that we are all safe, and essential services are continued.

The team at Bluff Road Medical Centre have put in place a plan for conducting Psychological consultations remotely, to ensure that your care can be continued.

There are a number of options for remote consultations via telephone and video conferencing utilising high level patient data security software. These consultations will continue to uphold privacy and confidentiality standards between a psychologist and client.

Currently, 30 or 50 minute appointments are available. Please call Bluff Road Medical Centre to make an appointment. (9598 6244).

This week, the government released guidelines for mental health services Medicare COVID-19 Telehealth eligibility. If you are interested to know whether you qualify, please use [this link](#).

You can also contact me directly by email ([aneta.kotevski@gmail.com](mailto:aneta.kotevski@gmail.com)) or text (0412 305 717) for bookings, or any other enquiries.

Please take care of yourself and one another.

Kind regards,  
Dr Aneta Kotevski  
Clinical Psychologist  
Bluff Rd Medical Centre
