healthcare,  
entrusted to  
grow with you**

## WELCOME

Since 1987, Bluff Road Medical has been providing healthcare of the highest standards to families in Bayside and surrounds.

As a locally owned, GP operated health service, our newly extended purpose-built facilities offer an improved comprehensive healthcare experience in one convenient location.

Our ongoing commitment to our community is to:

- deliver integrated medical excellence in healthcare that is personalised for you and your family;
- be inclusive, empathic, and ethical towards all;
- value teamwork and collaboration with patients and health providers alike; and
- remain progressive and embrace advances in technology and medicine to promote healthcare efficiency.

We warmly welcome any new patients to Bluff Road Medical. Consultations are available by Appointment. Please book online via our website or the HotDoc App.
