

Thank you for booking with Dr Anita Bearzatto

Please note appointment details below:

IMPORTANT: Please reschedule appointment if you have any upper respiratory or cold like symptoms on the day of your appointment

Please read the following in preparation for this appointment

Appointment costs: (OOP = out of pocket expense to patient after receiving the Medicare rebate)

Initial appointment \$230 (45 mins duration) (OOP \$150.30)

Review appointment \$180 (30 mins duration) (OOP \$100.30)

Saturday appointments incur \$10 extra fee

- These fees are inclusive of any procedures (e.g., tongue-tie release) that may be performed during the consultation.
- If your baby has not yet been added to your Medicare card, please note you will be required to make the payment on the day of the consultation, and we will provide you with the receipt for you to make the Medicare claims directly from Medicare.
- Cancellation fee \$105: Please be aware that we require 24 hours' notice if you wish to cancel your appointment to avoid a cancellation fee.
- A staff member will call you the day prior to your appointment to confirm the day and time of your appointment and will answer any questions you may have at this time.
- Please bring your baby's Green Book.
- As Dr Anita would like to observe feeding during the consultation, please endeavor to time your baby's feed around the appointment time or feed a small amount prior to coming to the appointment.
- Attached is our New Patient registration form, please fill this in for guardian and baby. You may bring this with you on the day or email to: practice@bluffroadmedical.com.au.

Thank you and regards
